Special Leadership Event

Tues, Aug 20th

6-715 pm @Blessed Sacr. School

During August we have scheduled a Leadership Event for our students on **Tuesday August 20th 6-7:15pm** at **Blessed Sacrament school**. During the class we will continue to work on the concepts of **BE-KNOW-DO** and also introduce students to the winning concepts of famous basketball coach **John Wooden's Book, The Pyramid Of Success**.

Not only will we introduce and help our students understand the value of these important ideas that have helped many people be better equipped for success and happiness, but we will also get in a good workout.

Do your best to join us for our August Leadership event.

Come With Guns Ablazin' –

Annual School Picnic

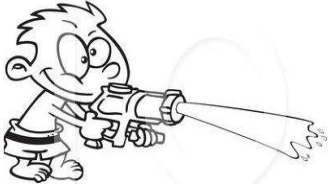

Wed, Aug 28th 5-730 pm

@Myric Park Main Shelter

It's that time of the year...time for students, families, and instructors to come on over to the annual Karate School Picnic.

The Big Event will be held on Wednesday night August 28th from 5-7:30 at the Main Myrick Park Shelter.

This is your chance, students. Your chance to get back at your instructors for all of the hard work and pain they have put you through over the past year.

There is absolutely no limit to the size of the water contraption you can bring to get yourselves and your instructors wet.

In addition to the water gun fights there is always some exceptional food at the picnic. **We ask that everyone bring a dish to pass.** (Main dishes are always appreciated) In years past families have brought some extraordinary dishes.

The Annual picnic is always a great time to catch up with your Karate friends and enjoy a fun filled evening at the park.

We look forward to seeing all of our families on the night of the picnic.

July Fun Events

July was a month where students and families could join us for many exciting events.

Movie Night

Beach Day

Salvation Army Food Drive

Thanks everyone for joining us for these events during

July. If for some reason you were unable to attend, not to worry, there's going to be more fun activities to take part in in the upcoming months.

We at Nicklaus' Martial Arts America want to thank our families for taking the time to join us for these events. Not only are they great times to get to mingle, meet new friends, and have a great time,

but they also provide an opportunity for our students to be around instructors and others who are great role models.

We encourage all of our students to come to as many special events as possible. It's a great way for you to get and become even more excited about your martial arts training.

Some Sad News

Over the years one of the hardest things that we have to do is to say goodbye to one of our families. Over the past 8 years we have been blessed to have the Kenana family in our program.

Dad has taken a new position with the railroad and

the family will be moving to Kansas City, sometime in August.

The job opportunity is a wonderful opportunity for Mr. Kenana. We wish him and the family all the very best in this new chapter in their life.

Still, we are saddened to lose such a dedicated family and such good friends.

The Kenana's have committed much time and energy to our program. Ms. Jaida and Ms. Sireen Kenana have always worked hard and set great examples for our other students.

The Kenana's have assured us that they will be back to visit. When they do we will be sure to let you know.

Best of luck and may God Bless the Kenana family on their move to Kansas City.
