## HO HO HO

I had a great Thanksgiving. My son was home from Colorado for 5 days. On Thanksgiving day my son, daughter, wife and friends and family members gathered for a very nice Thanksgiving feast. It was very nice and much laughter was shared by all.

Now we go into the Christmas season and I'm looking forward to more family time. My son will be home for 10 days this time and it will be another fun time around family and friends. All of

this wonderful time with family and friends makes me pause and once again say thank you for all of the blessings that I have been given.

We have much going on in the Karate school during the Holidays. Mr. Cornell is going to take some time off during the first part of December to go on a much earned vacation. Myself and the rest of the staff will be there to take care of our families.

### **Family Appreciation**

It was great to see so many families on our family appreciation days. It seemed that moms enjoyed the roses and the treats from Costa Rica and Festival Foods went over well.

*Thanks again!*
