## Mr. Nicklaus' Spotlight Article: **Thanks for the Support**

Mr. Cornell and I appreciated the great response to our Degree testing's at Aquinas High School. It's always fun to get out in front of a crowd and show our students and families some of the things that we have learned over the years.

As I mentioned at our event, we can't do this without the support and encouragement of our families. You guys are a big deal to us!

So thanks for being with us and thanks for giving us the chance to work with your family in our martial arts program.

Respectfully,

*Fred Nicklaus*

# THANK YOU!

## Special Congratulations To Our Newest Black Belts

What a weekend. Black Belt promotions on Friday and Saturday. Thirteen people tested for their Black Belts on Saturday.

It's not an easy thing to become a Black Belt and certainly something to be proud of.

Becoming a Black Belt is a serious commitment of time and energy from both those striving to become a Black Belt and from family members. It really is a team effort.

You did it!

Your hard work and willingness to go on when things got tough have given you an awesome reward.

Now it's time to actually be a Black Belt. Time to learn some new things and improve your skills.

We are looking forward to seeing you in class and having you as members of our Black Belt family.

*Fred Nicklaus*

## **A Very Nice Thing To Do For A Friend...**

## **SUMMER REFERRAL CONTEST**

### Bring-A-Friend to Class

**June 4 – Aug 11**

It's here again. It's Summer time and it's also time for our **Annual Summer Referral Contest**.

Everyone who brings in a friend or family member for their first lesson will be eligible for the big Grand Prize drawing as well as receiving a t shirt and another small prize for

your efforts. This is fun and it gives you a chance to introduce someone to our program and gives us a chance to say THANKS

We are thankful for all of your help during the other parts of the year also but during summer we do our best to make it an event

So this is what you can expect this summer for our Referral Special

Anyone who brings a friend to try a class will receive.

- **A Summer Special t shirt** (Mr. Schwertfeger has done it again. What a cool design) You will receive a t-shirt for every person that you bring in for an introductory class
- For every friend or family member that you bring in for a class you will also get your name into our fish bowl which makes you eligible for the top 4 prizes at the end of the contest

Here is how the summer referral program works:

1. **Grab a participation waiver for your friend's parent or friend to fill out.**
2. **Ask a friend to try a martial arts lesson with you** (Friends need to complete a waiver)
