

BOOK CLUB

This is above and beyond! Read **10 times** for **15 minutes each month**, and your name will be put on our **Book Club Member** board in the lobby. Also, for going above and beyond the call of duty your name will be put in the next month's newsletter as a star student. Promote the habit of reading. It's fun, and will help you become a better reader, a better person, and a better Martial Artist. Good luck!
